I am happy to note that Himachal Pradesh Postal Circle is organizing State (Zonal) Level "Virtual" Philatelic Exhibition "HIMPEX-2020" from 2nd to 7th November, 2020 for the first time.

Philately is a very special activity of India Post and we must always make efforts to promote it among the public. I am very sure that the event will be a huge success and wish you all success in the venture.

I convey my best wishes for the success of this grand occasion to you and all staff members of your circle.
